What Are You Saving For?

We Have The Solutions To Make College Saving Easier!

You have dreams for your children's future...it's never too early or too late to start saving for college. KVCCU can help you create a college saving plan that will work for you and your family… stop in to discuss your options!

From Start To Finish…
We Are Here To Help You Reach Your Financial Goals!

KVCCU College Club Account Will Get You Started…

Saving for your child's education does not have to involve a lot of planning or a lot of money...like your old piggy bank...you'd put a few cents in here and there, and eventually a little money would add up to a lot. Opening a **KVCCU College Club** account will get you started and keep college savings separate from your general savings and earn the same dividend as your Prime Share. You can make automatic deposits or transfers funds from your other savings or checking accounts and you can manage all this on our It's Me 247 Online Banking.

KVCCU Coverdell Account is Good for College Savings…

A Coverdell Education Savings Account helps you save money for the cost of elementary, high school or higher education for a designated beneficiary. Qualified expenses include tuition, fees, books, elementary and secondary school expenses, computer technology or equipment...even online access that the beneficiary uses while in school, at nearly any postsecondary educational institution. Certain room and board expenses also may qualify. Total contributions to a Coverdell Savings Account cannot exceed $2,000 per year, per child.
