

## **KVCCU Membership Makes “Cents” For You & Your School**

**Kensington Valley Community Credit Union** has been helping local teachers, and families reach their financial goals for 50 years. In celebration of our first 50 years we are unveiling **KVCCU Community Partners** – a program to build on-going charitable relationships with local groups and organizations.

**KVCCU** invites school staff and families to become members of **KVCCU** and/or grow your current relationship with us. In turn, **KVCCU** will make a \$20 contribution to your school for each new qualifying activity – *maximum of two qualifying activities per person per year*. For example, if 50 school staff and family members participate in just one new qualifying activity each year, your school will receive \$1,000 from **KVCCU**. The more people participate, the more that is raised for your school. It is that simple!

### **Qualifying activities include:\***

- Open a new checking account with E-Statement & E-Notices
- Open a savings account with direct deposit of net payroll, Social Security or retirement
- Open a youth savings account to teach the value of on-going savings
- Obtain a vehicle loan or transfer an existing loan to **KVCCU**
- Open a new line-of-credit
- Open a new CD or IRA
- Sign up for CU Easy Pay Online Bill Payment
- Refer a new member (who completes one of these activities)

In these challenging times, it is critical to have a financial partner you can trust. What makes **KVCCU** different from other financial institutions are our Members! **KVCCU** is focused on what is in the best interest of our Members, not generating income for stockholders. In turn, our Members receive better interest rates on savings and loan products.
